(Lil John John)

He is blake avery collier

He'll push you in the fire

He comes down the street in his new jaguar

Eminem sayin he the real slim shady

But blake be the biggest pimp mackin on all the ladies

At 13 he be at the corner slanin rocks

The poe came around then he shut em down

You know him he is this B.L.A.K.E.

He used to be a punk

Now hes this and that hes all of the above

You see us comin down the street rollin on dubs

(chorus x2)

(Lil' John John)

Hold up stand back ima bout to react

On the block shoot the glock with my solja reebok

When i come donw the block

You bitches better run

Cuz you know im strpaeed with and Ak machine gun

(Lil Casino)

You know lil john john

He come down the street lookin fine fine

He hit you with the gun and hes as rich as big pun

Him and his boy casino

Down the street smokin indo

Dont f\*\*k with us

Or you gonna die

If you ask us why

We gonna make you fly

(chorus x2)

(Lil John John)

We gona let you get your crew but they cant help you

So its me and you if you dont recrute

(chorus x2)

Me and you if you dont recrute

(chorus x2)
