If you wanna be with me you gotta earn my love

(Lil John John)

If you want me girl

You gotta do what i say

Lil do what you want to

Lil return it that way

What kinda lovin you like

Please tell me girl

What must i do

To please you

I'm down on my knees

Prayin you wana be with me

I'm better when you

Are by my side

(chorus x2)

(Lil John John)

I gotta earn it earn it earn it

Earn your love

(Lil Coastarican Thug)

I imagine you by my side

In my bed with me

That is what you said

Now your gone

Out of my sight

I dont know what

Happened that night

We got in a fight

I tried to call you

But your not there

I dont know where

But now i dont care

Cuz you left me

Now im rich
