"Instant Pleasure"

I don't want somebody to love me
just give me sex whenever I want it
'cause all I ask for is instant pleasure
instant pleasure, instant pleasure
You in traffic for all eternity
how could that speed be where you wanna be
say don't you really want instant pleasure
instant pleasure, instant pleasure
Think that all these folks get laid
do it 'cause the pay is great
what you thinkin anyway?
If drinkin coffee is your idea of really cool
you can't expect no crazy
chick to notice you just sittin there
dreaming instant pleasure
instant pleasure, instant pleasure
If you want someone a friend to be
guess you'll have to win the
lottery but till then repeat after me
I don't want somebody to love me
just give me sex whenever I want it

'cause all I ask for is instant pleasure
