I have opened up for national acts such as  
Dwight Evans, Mahatma Gandhi, Marc Summers, and  
God

Horses sink into the mud tied to an image like blood  
Shed some skin  
Shave off your old face  
Forget where the stranger is from

When change comes don't shoot it with a gun  
Drive to the river  
Dive in  
If no one cares haunt them forever  
You're drowning in popular tides

Up ahead a skyline made of glass formed in the image  
of you  
Surface to air, bridges or rainbows, this road map's an  
ancient mistake
