Ladies and gentleman, introducing the sexiest band
alive...

Smothering my victims in a chocolate glaze,
I'm cutting up my customers with plastic forks
Elbows and knees in rows on cookie sheets
Brains in the backroom
It's a mess

Feed for another day
Kill for another week
Hunt while the others sleep
Arrgh
Cut enough to silence
Feels like an easy way to stop hearts, lungs, blood

All the heads that didn't fit in the oven
I piled up in the rest room
I'll put your teeth in the tip jar
I'll put your teeth in the tip jar
I'll put your teeth in the tip jar
