Spent my days with a woman unkind,  
that smoked my stuff and drank all my wine  
Made up my mind to make a brand new start,  
going to back Cali with an aching in my heart  
Someone told me there's a girl out there  
with love in her eyes and flowers in her hair  
Took my chance on a big jet plane,  
Let me tell you this: they're not all the same  
The sea was red and the sky was grey,  
wondered how tomorrow could ever follow today  
The mountains and the canyons started to shake  
and the children of the earth began to awake

Seems the wrath of the gods  
got a punch to the nose and it started to flow;  
I think I might be sinking  
Throw me a line if I reach it in time  
I'll meet you today with a path goin' straight and high

To find a queen without a king,  
they say she plays guitar and cries and sings... la la la

Uhhh, good afternoon passengers. Welcome to Cock  
Block flight 103. We'll be traveling all the way to San  
Francisco today. Please be sure to keep all baggage  
and especially kids off the plane. Jesus Christ!

I ride the a white mare in the footsteps of dawn  
Chasing the girl who's never, ever, ever been born

Hello ladies and gentleman. This is your Captain once  
again. We are experiencing some slight turbulence;  
nothing too much to worry about. If you see stewardess  
Janice, please tell her to come up here and...uhhh...I  
don't know...bring that, uhh, cherry lipstick she wears.  
She, uhh...wow..she is fantastic. Ok folks, sit back and  
enjoy the flight.
