Breathing and blinking a stall to a stop  
Complete congestion the smiles on the pavement  
Ghosts in cross-trainers are walking through walls  
Spirit does what spirit wants  
But he can't be late  
It's the law  
Don't stop the flow  
Sing while stuck in traffic  
Don't walk on water

Slip through  
Just let the lights go on  
Without you

Counting on clockwork to never be boring  
Have TV will travel we'll talk to the pavement  
Ghosts with briefcases are walking through each other  
Spirit does what spirit wants with a signature  
It's the law  
Don't stop the flow  
Sing while stuck in traffic  
Don't walk on water

Hopeless have-nots walk a silent mile for us and them

Stepping in stepping out  
Same static  
Poses for inspectors---someday maybe they'll show  
airlift you up  
To more static  
Poses for directors  
Some day maybe they'll show  
Stepping in stepping out  
Same static  
Poses for inspectors---someday maybe they'll show  
airlift you up  
To more static  
Poses for directors  
Some day maybe they'll  
Sound the alarm  
One monkey gone

Six monkeys left who say  
Roll over, roll over  
What are you if hands turn see through?  
Blinded by hands, monkey see monkey...
