Sleep is impossible  
Bite your fingers  
Take some Tylenol  
Sleep is impossible

A thought stuck to the back of my eyes  
This bed is a grave where no grass grows  
My head is a drum come alive  
This loop is no lullaby  
No sweet dreams goodnight or goodbye  
Just a hole in the night

Sleep is impossible  
Cars parked in a row  
Begging to be started up  
Parked in a row  
Begging to be started up  
Sleep is impossible

Snap shot history  
Silence sings to me  
Says you're already home  
And we won't let you go  
One more night

Cars parked in a row  
Begging to be
