"Possibly Maybe"

Your flirt finds me out
Teases the crack in me
Smittens me with hope

Possibly maybe, probably love

As much as I definitely enjoy solitude
I wouldn't mind perhaps
Spending a little time with you
Sometimes, Sometimes

Uncertainly excites me
Baby, who knows what's going to happen?
Lottery or car crash
Or you'll join a cult

Mon petit vulcan
You're eruptions and disasters
I keep calm
Admiring your lava
I keep calm

How can you offer me love like this?
My heart's burned
How can you offer me love like this?
I'm exhausted, leave me alone

Since we broke up
I'm using lipstick again
Since we broke up
I'll suck my tongue in remembrance of you
