Hate mail and love letters
Searching for some purpose
Prank call at three am
Thoughtful and wordless
A message at the tone -- what can I say?
I hang up the phone
I love you in the strangest ways
Oh, I love you in the strangest ways
Ah, I love you in the strangest ways
I wish I could just pick you up
Next time you're feeling down
I wish I could afford to buy
A plane ticket to your town
I wish we were kids again
I'd ask you to come out and play
But you're so scary now
I love you in the strangest ways
Oh, I love you in the strangest ways
Ah, I love you in the strangest ways
That time we slept together
That's about as far as it went
But though we're not quite lovers
You're more than a friend
In a world of black and white
We meet in half-tone grey
We're different as day and night
But I love you in the strangest ways
Oh, I love you in the strangest ways
Ah, I love you in the strangest ways
Oh, I love you in the strangest ways
Ah, I love you in the strangest ways
