Overprotected - Britney Spears

Spoken:

I need time (time)

Love (love)

Joy (joy)

I need space

I need me

(Action!)

Say hello to the girl that I am!

You're gonna have to see through my perspective

I need to make mistakes just to learn who I am

And I don't wanna be so damn protected

There must be another way

Cause I believe in taking chances

But who am I to say

What a girl is to do

God, I need some answers

What am I to do with my life

(You will find out don't worry)

How Am I supposed to know what's right?

(You just got to do it your way)

I can't help the way I feel

But my life has been so overprotected

I tell 'em what I like

What I want

What I don't

But every time I do I stand corrected

Things that I've been told

I can't believe what I hear about the world, I realize

I'm Overprotected

There must be another way

Cause I believe in taking chances

But who am I to say

What a girl is to do

God I need some answers

What am I to do with my life

(You will find out don't worry)

How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected

I needÂ... time (love)  
I needÂ... space  
(This is it, this is it)

I don't need nobody  
Tellin me just what I wanna  
What I what what I'm gonna  
Do about my destiny  
I Say No, No  
Nobody tell me just what what what I wanna do, do  
I'm so fed up with people telling me to be  
Someone else but me

(Action!)

What am I to do with my life  
(You will find out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected

I don't need nobody  
Tellin me just what I wanna  
What I what what I'm gonna  
Do about my destiny  
I Say No, No  
Ain't nobody tell me just what I wanna do, do  
I'm so fed up with people telling me to be  
Someone else but me

What am I to do with my life  
(You will find out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected.
