"I Hate You"

No one here likes you,
Go away!
Get a clue!
Go back to your fucking zoo
Or whatever it is you do

I don't know why
I don't like what's in your eyes
and I'd love to split 'em wide

I could pretend
Dude! Can't you understand?
I hate you, my friend

And some call it obsession
And some call it pure hate
And others call it pathetic
But some totally relate

I'd rather go to hell
Than shake your hand or wish you well
In case you couldn't tell

Go ahead boy drink your drink
Go ahead boy do your thing
Can you live knowing
the words to every song I sing?

I could pretend
Dude! Can't you understand
I hate you, my friend

And some call it obsession
And some call it pure hate
And others call it pathetic
But some totally relate

No one here likes you,
Go away!
Get a clue!
Go back to your fucking zoo

Or whatever it is you do

I could pretend
Dude! Can't you understand
I hate you, my friend

I hate you, my friend
I hate you, my friend
