"Where's Bob Dylan"

I've got a radio that's broke
Traded it for some dope
Sam and Colleen are just a joke
I've got a life that's kinda broke
I've got a dog that doesn't bark
He's dying of a broken heart
My best friend, he ain't too smart
My life's falling apart

I'm moving on,
My lover
I'm sailing on,
I'm sinking
I've got two dollars
and some guy wants me to feed him.
I'm moving on,
My lover
I'm sailing on,
I'm sinking
I've got two dollars
Where's Bob Dylan when you need him?

Spent my last dollar on a beer
I lost my job sometime last year
I lost my wife,
I called her dear
That's how I got from there to here
Guess the TV's on the blink
There's blood inside the bathroom sink
I'm halfway out the door
I should get off the bathroom floor
