Here I'm sitting  
Then here I'm crying  
Tonight love is fuckin' dying  
Your dreams are escaping and mine is burning

Here I'm hoping  
Then here I'm running  
Trying to understand this fucking feeling  
Baby You make me feel

Come Back! To Me...  
Come Back! Tell Me...  
Honestly You've missed me  
And Tonight i'm still crying (x2)

I Can't sleep tonight  
Was I wrong last night?  
I'm all alone, please come back home  
Pick up the phone yes i was wrong  
I'm Thinking of you  
I know you're thinking of me  
What's the aim of this torture  
I need to lean on you to survive

Come Back! To Me...  
Come Back! Tell Me...  
Honestly You've missed me  
And Tonight i'm still crying (x2)

(Break)

Come Back! To Me...  
Come Back! Tell Me...  
Honestly You've missed me  
And Tonight i'm still crying... (x4)
