They say they want an evolution
We just want a revolution
We're not soldiers, just wanna goin' higher
I'll act cause it's my turn!

Conservative : GO FUCK YOURSELF
Reactionary : DON'T GIVE A FUCK

Nothing to do with Punk Rock
Fuck Off and bring your stuff with you
The shame of our movement
We don't wanna see you anymore

Conservative : GO FUCK YOURSELF
Reactionary : DON'T GIVE A FUCK
There's no solution,
Just have some fun
I know i'm an e.t.
And see you're just a shit

Conservative : GO FUCK YOURSELF
Reactionary : DON'T GIVE A FUCK

(You won't come back
You've just had a taste of my hatred)
