It's called rubberneckin' baby but that's all right with me

Some people say I'm wasting time yeh, but they don't really know

I like what I see I see what I like yeh, it gives me such a glow

First thing in the morning, last thing at night

I look, stare everywhere and see everything inside

Stop, look and listen baby that's my philosophy

If your rubberneckin' baby well that's all right with me

Stop, look and listen baby that's my philosophy

It's called rubberneckin' baby but that's all right with me

Some people say I'm wasting time yeh, but they don't really know

I like what I see I see what I like yeh, it gives me such a glow

Sittin' on the back porch all by myself

Along came Mary Jane with somebody else

Well, stop, look and listen baby that's my philosophy

It's called rubberneckin' baby but that's all right with me

Some people say I'm wasting time yeh, but I don't really care

I like what I see, I see what I like yeh, it gives me such a

glow

Sittin' on the back porch all by myself

Along came Mary Jane with somebody else

Well, stop, look and listen baby that's my philosophy

It's called rubberneckin' baby but that's all right with me

Stop, look and listen baby that's my philosophy

Stop, look and listen baby that's my philosophy

Stop, look and listen baby that's my philosophy
