"OUR ANNIVERSARY"

Visit "[OUR ANNIVERSARY](#)" on MotoLyrics.com

Anniversary, anniversary
Tomorrow will be our anniversary
I'm so glad
So happy to know that your still mine
(Congratulations) congratulations
Together we shared all the heartaches and the tears
And I hope it will last for a very long time

One, two, three years ago
That's when I fell for you
Four, five, six years will go by
And I promise to keep on loving you

Tomorrow will be our anniversary
I'm so glad
So happy to know that your still mine
(Congratulations) congratulations

I.....love.....you
