[Hook]

I know that you want it,
That you, you want it, want it
Come on let's get on it,
Let's get, let's get on it, (let's get on)

[Verse 1]

I've had just about
Enough of your lies
But I don't wanna stop
Or ever tell you goodbye

Your cigarette smoke
It lingers right through my heart
Oh I wish you were here
Can we go back to the start?

Woah oh oh oh
Woah oh ohh
Woahh oh oh oh ohh

(Chorus)

I don't wanna be dancing
If it isn't with you
(Oh no I'm not gonna be dancing without you)
I don't wanna think about leaving
If it isn't with you
(Oh no I'm not gonna be leaving without you)

You're not here on the floor
So tell me is your heart
Not in it no more
DJ DJ, won't you play his favorites song?

[Hook]

I know that you want it,
That you, you want it, want it
Come on let's get on it,
Let's get, let's get on it, (let's get on)

[Verse 2]

Maybe I'm crazy
Maybe this is absurd
But I never still want you
If I never been hurt

So tell me again one of your
Sweet little lies
I knew I'd regret it
When I told you goodbye (goodbye)

[Chorus]
I don't wanna be dancing
If it isn't with you
(Oh no I'm not gonna be dancing without you)
I don't wanna think about leaving
If it isn't with you
(Oh no I'm not gonna be leaving without you)

You're not here on the floor
So tell me is your heart
Not in it no more
DJ DJ, won't you play his favorites song?

Woah oh oh oh
Woah oh ohh
Woahh oh oh oh ohh

[Bridge]
No, I'm not gonna be dancing without you
No, I'm not gonna be leaving without you

[Chorus]
I don't wanna be dancing
If it isn't with you
(Oh no I'm not gonna be dancing without you)
I don't wanna think about leaving
If it isn't with you
(Oh no I'm not gonna be leaving without you)

You're not here on the floor
So tell me is your heart
Not in it no more
DJ DJ, won't you play his favorites song?

(Gonna make you dance,
And I wanna make you dance with me)

[Chorus 2]
I don't wanna be dancing
If it isn't with you
(Gonna make you dance,

And I wanna make you dance with me)

I donâ€™t wanna think about leaving
If it isnâ€™t with you
(Gonna make you dance,
And I wanna make you dance with me)

Youâ€™re not here on the floor
So tell me is your heart
Not in it no more
DJ DJ, wonâ€™t you play his favorites song?
(Gonna make you dance,
And I wanna make you dance with me)

I donâ€™t wanna be dancing
If it isnâ€™t with you
