First Verse (Tim Smooth):

I was brought up around repeat felons  
Niggas who keep sellin' they dope  
In your hood, no matter what the priest tell 'em  
Reached eleven and then turned buck  
Go to school and don't learn FUCK!  
They only in there to earn bucks  
And me, I'm that homie though, Mr. Romeo  
Slick talkin' dicksman I'm hawkin' straight through a  
pony hoe  
Over the years we become one  
Cuz where I come from  
Roll with the rollers or you get done young  
One of our goals is never get caught short  
All of us gettin' swole with hustles of some sort  
My hustle is hoes, but my niggas are servin' fiends  
Some of them murdering  
None of them Burger Kings  
Seems the dream of clean green done got ghost  
I'm gonna rock a crowd while my niggas rock dope  
And I hope, I never get smoked cuz of somebody in my  
crew  
But if I do, I do

Chorus (Apple & Taco):

I...  
Miss my niggas, them my niggas  
I don't know why, but it be's that way

(2x)

Second Verse (Tim Smooth):

Lately I be so loaded, I don't go around my Mama  
Mind my brother with brains who can't stay away from  
drama  
Time and time again I go to God askin' him to watch  
me  
Stop me from bein' so cold or take my soul if

somebody pop me  
I'm not lookin' for trouble, I'm lookin' for love  
Only find it in spots where they be, cookin' the drugs  
And puttin' the bud in the air like chain smokers  
Cuz it maintain focus enough to bust range rovers  
Came close to death more times than Bugs Bunny  
Barely spun, but, done slung a ton of drug money  
I was bummy, now I'm in the crib of lavishness  
My FIST full of green, my jeans is full of parenting

Chorus

[One minute, thirty seconds of talking from a live  
phone call]

Chorus (.5x)
