Once when I was all alone,  
I called you, and you weren't home  
my heart fell like a stone  
to the ground  
to the ground  
to the ground  
(to the ground  
to the ground  
to the ground)  
Why, when morn had dawned on me,  
and anger grew like ecstasy,  
and leda threw the swan on me  
and I fell to the ground  
to the ground

Chorus:  
Oh, Don't say I want you,  
don't stay this way  
Believe me, I wasn't trying  
to play the game  
where someone's to blame  
I'll stay the same  
'till you change your mind  
And you'll change your mind

I could have broken you,  
I should have spoken for you  
should have seen it was turning me on  
don't you know it's true?  
there are worse things  
perverse things  
You should answer when the phones rings  
there are worse things I could do

Once when I was all alone,  
I could not find the telephone  
so instead I burned your pretty home  
to the ground,  
to the ground,  
to the ground

Oh, Don't say I want you,  
don't stay this way  
Believe me, I wasn't trying to  
play the game  
where someone's to blame  
I'll stay the same  
'till you change your mind  
I'll stay the same  
'till you change your mind  
And you'll change your mind
