Butterfingers-butterfingers-butt...  
Butterfingers-butterfingers-butterfingers-butterfingers  
Doo-wop, doo-wop, doo-wop  
Well butterfingers-butterfingers  
That's what everybody calls me, since I lost you  
Well a-butterfingers-butterfingers  
Had you but I couldn't hold you, you just slipped  
through  
Now I don't know what to do  
Well a-butterfingers-butterfingers  
That's the only name for me for lettin' you go  
Well a-butterfingers-butterfingers  
Never did I realize that I loved you so  
It's all my fault dear, I know  
Well I took your love for granted, I gave a little in return  
And now that I'm without you, I'm gonna learn how  
tears can burn  
Well butterfingers-butterfingers  
That's what everybody calls me, since I lost you  
Well a-butterfingers-butterfingers  
Had you but I couldn't hold you, you just slipped  
through  
Come back because I love you
