Through Early morning fog I see
Visions of the things to be
The pains that are withheld for me
I realize and I can see

Chorus:
(That) Suicide is Painless
It brings on many changes
And I can take or leave it if I please

The game of life is hard to play
I'm gonna lose it anyway
The losing card I'll someday lay
So this is all I have to say
(chorus)

The only way to win is cheat
And lay it down before I'm beat
And to another give a seat
For that's the only painless feat
(chorus)

The sword of time will pierce our skins
It doesn't hurt when it begins
But as it works it's way on in
The pain grows stronger watch it grin
(chorus)

A brave man once requested me
To answer questions that are key
Is it to be or not to be
And I replied "Oh why ask me."
(chorus)

And you can do the same thing if you please
