Everything U R  
Lindsey Pagano

Everything U R  
(All I need is everything you are)  
(everything you are 3 x's)

Love can be complicated  
To often mistranslated  
One word for all dynamics  
Leads to problems at it  
Emotions and affections  
Feel ends in all directions  
Sometimes a simple action  
Creates to satisfaction  
And as long as you are mine  
I will take the time  
To let you know what I feel, cause

All I need is everything you are, complete  
And if you ever fall I'll be here  
Standing in the shadow of my heart

Cherish is mostly chatter  
Mind games over matter  
I'm not looking for suggestions  
More answers with questions  
I speak in hugs and kisses  
Cause true love never misses  
I will lead or follow to be with you tommorow  
And as long as you are mine  
I will take the time  
To let you know what I feel, cause

All I need is everything you are, complete  
And if you ever fall I'll be here  
Standing in the shadow of my heart

There's nothing that you could ever say boy  
(there's nothing you could ever do)  
To make me walk away

And as long as you are mine  
I will remind, myself  
That this love is real  
Ba Ba! Awh! Come on!  
Ba Ba! Awh! shooby dooby doo!  
Awh! Yeah! Ba Ba!  
Yeah! a shooby dooby doo!

All I need is everything you are  
(everything you are), Complete  
And if you ever fall  
I'll be here, standing in the shadow of my heart  
(stading in the shadow of my heart)  
All I need is everything you are, complete  
And if you ever fall  
I'll be here standing in the shadow of my heart

All I need is everything you are, complete  
And if you ever fall  
I'll be here, standing in the shadow of my heart
