Where are the words when you need them? for the betrayal I cannot speak of Very sound,sounds of sleep opened in this we need . bury the very unbarring stairing would you care to stalk me crumble,you cost and you caused me to crumble,and stumble only very soon I will do better than you, you will never do carry the ghost of my coward self upon my two shoulders promise to keep me,Im slightly burning, I can't see promise to keep me,Im slightly burning, I can't see I see the world on TV,don't touch me Promise to keep me,you're slightly burning, I can't be I see the world on the sharpshooters eyes,and I can't see why I cannot see I see the world on the sharpshooters eyes,and I can't see why good hit Im just kidding look mom no pain quick raising scares tell under veins what xanthic young zing a better cut dull edge falling ghost hope I just keep laughing most names only pale quite red see tore up valor what xanthic young zing. promise to keep me,Im slightly burning, you curse me promise to keep me,Im slightly burning, you curse me I see the world on TV,You curse me Promise to keep me,Im slightly burning, You curse me I see the world on the sharpshooters eyes and I can't see why I cannot see I see the world on the sharpshooters eyes and I can't see why I see the world through the sharpshooters eyes.. Take it in,I cannot stand it All I can get through the hands That hold me up,I can't get them to hold me back I am wrong,I am wrong,I am wrong,I am wrong. Where are the words when you need them for the betrayal I cannot speak of Very sound,sounds of sleep opened in this we need Where are the words when you need them? Open the sight up of what I keep in Vary the sound,sound of sleep opened in this We'll be the same We'll be the same We'll be the same We'll be the same way. I see the world through the sharpshooters eyes I see the world through the sharpshooters eyes I see the world through the sharpshooters eyes I see the,I see the,I see the world through the world through the sharpshooters eyes.
