Why does it feel like night today?  
something in here's not right today  
why am i so uptight today?  
paranoia's all i got left  
i dont know what stressed me out first  
or how the pressure was fed/but  
i know just what it feels like to have a voice in the back  
of my head  
it's like a face that i hold inside a face that awakes  
when i close my eyes  
a face that watches every time i lie  
a face that laughs every time i fall  
[and watches everything]  
so i know that when it's time to sink or swim  
that the face inside is hearing me/right beneath my  
skin

(chorus)

It's like i'm/paranoid lookin over my back  
it's like a/whirlwind inside of my head  
it's like i/can't stop what i'm hearing within  
it's like the face inside is right beneath my skin

I know i've got a face in me  
points out all the mistakes to me  
you've got a face on the inside too and  
your paranoia's probably worse  
I don't know what set me off first but I know what i can't  
stand  
everybody acts like the fact of the matter is  
I can't add up to what you can  
But everybody has a face that they hold inside  
a face that awakes when they close thier eyes  
a face that watches every time they lie  
a face that laughs every time they fall  
[and watches everything]  
so you know that when it's time to sink or swim  
that the face inside is watching you too/right inside  
your skin

(chorus)

the face inside is right beneath the skin X3

The sun goes down

I feel the light betray me X3 (chorus) X2
