I love you

I love you

Shawty is got the sweetest lips
The fliest hips that caught my eyes
Then I understand if you don't want a man
But I gotta get in there

I gotta get in
I gotta get in (in there)
I gotta get in...
Go go

I love you
I love you

Shawty is got the sweetest lips
The fliest hips that caught my eyes
Then I understand if you don't want a man
But I gotta get in there

I gotta get in
I gotta get in (in there)
I gotta get in
Go go

Uhhh
Got it got it got it
You're so sweet can I try your honey
Want it, want it, want it
And patient can I get tha pace to your home, home
home home

I love you

Shawty is got the sweetest lips
The fliest hips that caught my eyes
Then I understand if you don't want a man
But I gotta get in there

I gotta get in
I gotta get in (in there)
I gotta get in
Go go
