(Verse 1)

You don't know  
What's in store  
But you know  
What you here for  
Close your eyes  
Lay yourself besides me  
Hold tight  
For this ride  
We don't need no protection  
Come alone  
We don't need attention

(Chorus)

Open your hand  
Take a glass  
Don't be scared  
I'm right here  
Even tho  
You don't know  
Trust me girl  
You wanna be  
High on this

(Verse 2)

Take it off  
You want it all  
Cause I know  
What you feeling  
It's okay  
Girl, I feel it too  
Let it be  
Baby breathe  
I swear I'm right here  
We'll be good  
I promise  
We'll be so good  
Yeahhh

(Chorus)

You wanna be high on this x3
