Well I'm not like you  
And you're not like me, but trust me that's alright  
It's alright for me?The differences we have  
Set us apart, and my thoughts they are all mine  
And you can't take them away  
So insecure  
It f-f-fades away, to nothing so they say  
So quickly?Your youth didn't stand a chance  
It's all we got?The hall shows and the basements  
Where we play?while the debt keeps piling on  
And we wouldn't change a thing?Not Now!

And we're not alone?NO, NO I KNOW WE'RE NOT  
ALONE  
It's in our hearts, it's in our souls?  
NO, NO I KNOW WE'RE NOT ALONE  
The youth is ours you can't control?  
NO, NO I KNOW WE'RE NOT ALONE  
We're not alone, We're not alone?WE'RE NOT ALONE  
Head over heels?We stage dive to feel alive  
Admit to yourself?You grew up way to fast  
And passed it off?The old shit in our heart  
As a waste of time?And you can kiss my ass  
I guess we'll drift apart?  
To bad?

Just swallow hard?It's so hard to accept your gone  
What about the past?competition got the best  
Got the best of you?You said no regrets  
No regrets for our youth?But I guess you changed your  
tune  
We're stuck in this grown up rut?Any questions?  
At least we lived

And we're not alone?NO, NO I KNOW WE'RE NOT  
ALONE  
It's in our hearts, it's in our souls?  
NO, NO I KNOW WE'RE NOT ALONE  
The youth is ours you can't control?  
NO, NO I KNOW WE'RE NOT ALONE  
We're not alone, We're not alone?WE'RE NOT ALONE
