See the ride is pulling
And the piece pack up
Only empty if you fly a dime
Saw a cutie on my... catching my eyes
Man nobody is going home tonight
She said she is here ti party hard
Took a shot of patrol left her worries on the side
And she is down for whatever everything and clever
Then I tract side it to play
She started singing like
Ooo she started singing like ooooo
Everybody get your cups in the sky
Take another hit or...
Screaming like ooooo
She is drinking all her problems
Got a way like alcoholic
Ain't no way she is going to remember tonight
Tell me how you do it all your drink before you lose it
And is driving by the... tonight
She says she... party right
Took another shot now she is tripping on y guy
She is down for whatever ain't now ay she is gonna be
clever
Then I tract side it to play
She started singing like
Ooo she started singing like ooooo
Everybody get your cups in the sky
Take another hit or...
Screaming like ooooo
Party wild
She got as... on her side like...
Her eyes are glowing her mind is blowing
... show up the... I got two
Call me mike... we are gonna make... of the floor
Don't take off your shoes I am gonna bite if you...,
If I catch your man... I could be that pussy...
Put your worries in the pot... make magic someone to
tragic
Everybody get your cups in the sky
Take another hit or...
Screaming like ooooo

Everybody get your cups in the sky
Take another hit or...
Screaming like ooooo
This is my song
