[Verse 1]

I left my girl back home
I don't love her no more
And she'll never fucking know that
These fucking eyes that I'm staring at
Let me see that ass
Look at all this cash
And I emptied out my cards too
Now I'm fucking leaning on that

[Bridge]

Bring your love, baby, I could bring my shame
Bring the drugs, baby, I could bring my pain
I got my heart right here
I got my scars right here
Bring the cups baby, I could bring the drank
Bring your body baby, I could bring you fame
That's my muthafucking word, too
Just let me muthafucking love you

[Hook]

Listen ma I'll give you all I got
Get me offa this, I need confidence in myself
And
Ohhh yea
Listen ma, I'll give you all of me
Give me all of it, I need all of it to myself
Woahhh ohhh

So tell me you love me
Only for tonight, Even though you don't love me (Only
for tonight)
Just tell me you love me
I'll give you what I need, I'll Give you what I feind
(Even though you don't love me)

[Verse 2]

Let me see you dance
I love to watch you dance
Take you down another level
Get you dancing with the Devil

Take a shot of this
But I'm warning you
I'm on that shit that you can't smell, baby
So, put down your perfume

[Bridge]
Bring your love, baby, I could bring my shame
Bring the drugs, baby, I could bring my pain
I got my heart right here
I got my scars right here
Bring the cups baby I could bring the drank
Bring your body baby, I could bring you fame
That's my muthafucking words to you
So let me muthafucking love you

[Hook]
