Crawling in my skin  
These wounds they will not heal  
Fear is how I fall  
Confusing what is real

There's something inside me that pulls beneath the  
surface  
Consuming confusing  
This lack of self control I fear is never ending  
Controlling I can't seem  
To find myself again  
My walls are closing in

Without a sense of confidence I'm convinced  
there's just too much pressure to take

I've felt this way before  
So insecure

Crawling in my skin  
These wounds they will not heal  
Fear is how I fall  
Confusing what is real

Discomfort endlessly has pulled itself upon me  
Distracting reacting  
Against my will I stand beside my own reflection  
It's haunting how I can't seem  
To find myself again  
My walls are closing in

Without a sense of confidence I'm convinced  
there's just too much pressure to take

I've felt this way before  
So insecure...

Crawling in my skin  
These wounds they will not heal  
Fear is how I fall  
Confusing what is real
