I'm speechless baby
And I don't know what to say
But I was very wrong
For how I treated you that way
Should have known better baby
Than to stay out all night long
And not even have the decency
To call you on the telephone

Baby, I apologize (baby I)
I apologize (I apologize)
Please understand give me one more chance
And I'll never hurt you again

I never meant to hurt you
really didn't mean to
I'm sorry baby, sorry
For whatever I put you through (x2)

Forgive me darling
For my very nasty attitude
For pretending like I am never wrong
Blaming everything on you (well well)
You could have left me (oh yeah)
Many many many times before
But you stayed right by my side (right by my side)
You didn't walk out that door

Baby, I do apologize (Baby I)
I apologize (I apologize)
Please understand give me one more chance
And I'll never hurt you again

I never meant to hurt you
really didn't mean to
I'm sorry baby, sorry
For whatever I put you through (x2)

I know you love me baby (I know you you love me)
I want to be the one to do what's right
I want to make you happy for the rest of your life

I never meant to hurt you
really didn't mean to
I'm sorry baby, sorry
For whatever I put you through (x4)

Just a little time
Just a little time
Just a little time
Just a little time
Sorry Baby (x4)
