You know that I'm here for you
You've always got somebody on your side
Through the good and the bad times too
Our love will not be denied

I'll be your lover
(Wanna be your lover)
You won't need another
(You'll never need another)

I'll be your best friend
(I'll be your best friend)
I'll be your everything
(I'll be your everything)

I'll be your teacher if
(Ya let me school ya)
Be there to please ya
(Wanna be there, wanna please ya)

I'll be your comfort
(On a cold and lonely night)
I'll be your everything
(Wanna be your everything)

Sometimes the road can be rough
You'll need a shoulder to lean on
This world is cold but you've got my love
And I'll be keeping you warm

I'll be your lover
(Wanna be your lover)
You won't need another
(You'll never need another)

I'll be your best friend
(I'll be your best friend)
I'll be your everything
(I'll be your everything)

I'll be your teacher if
(Ya let me school ya)

Be there to please ya
(Wanna be there, wanna please ya)

I'll be your comfort
(On a cold and lonely night)
I'll be your everything
(Wanna be your everything)
