Cried yourself to sleep last night  
Hurt from all you've been going through  
I know how you feel, sometimes life takes its toll  
But I'm here, I am here for you

When something's wrong I can tell  
It makes your life a living hell  
It's okay to cry, I know the reason why  
But I'm here, I am here for you, yeah

I'm here for you, whatever you're going through  
The pain you've been takin', I'll take it too  
I'm here for you and I will always be right by your side  
I'm here, I'm here

It's okay to cry, I know the reason why  
But I'm here, I am here for you, yeah

I'm here for you, whatever you're going through  
The pain you've been takin', I'll take it too, yeah  
I'm here for you and I will always be right by your side  
I'm here, I'm here

Sometimes it's hard to take the hand  
That life deals that's for sure  
But together come whatever  
I know we will endure

All the hurt and pain you feel inside you  
Just be strong  
Take my hand come on  
I'll guide you

I'm here for you, whatever you're going through  
[Incomprehensible] the pain you've been takin', I'll take  
it too  
I'm here for you and I will always be right by your side  
I'm here, [Incomprehensible]

I'm gonna be right here  
You don't have to worry about a thing  
I'm here, [Incomprehensible]

I'm here, I'm here
