I need somebody  
Who's consistent with me  
Someone already there  
When I need company

'Cause when I'm feeling old  
I don't wanna have to go  
I'm looking for  
A part time kinda love

And when the dreams and rainbows  
Start to disappear  
I don't want somebody  
Up and running out of here

'Cause when you stop and start  
Baby, it's just  
Too hard upon my heart  
That part time kinda love

I can't take you, darling  
Living here, wait and see  
I want somebody who's  
Committed now to me

Somewhere, some day  
You've got to take a chance  
You can write the music, baby  
Get up and dance

If we grow together  
Daring to dream  
I know we're gonna find  
Our share of peaches and cream

And when the juice is flowing  
I don't want no, no, no excuses  
Just want your full time love for me  
(No part time love for me)  
Just want your full time love for me
