I~~~ got to see you - somehow
Not tomorrow - but right now

I know it's late - But don't make me wait
So come on And steal away
Oh lets steal away

Don't make me start thinking
Cause I might change my mind
Your folks are sleeping
So lets not waste any time

I know it's late but please don't make me wait
So come on - And steal away
Please lets steal away
SEAGWAY INTO NEXT SONG

INTRO X 2 ROUNDS

Baby I'm feeling Sort of lonely
I heard the news today
Pause

Somebody told me That you were leaving
And I just called to say I Still Love You I love You baby

I know you wont believe me When I Say
For another chance I'll make it up to you... Baby Pause
Don't give me up... Pause don't throw in the towel
Cause I just want you to know I still Love you I Love You
Baby

RHODES SOLO X 2 FULL ROUNDS
