Ho, yeah  
Alright  
You are my man

Winding down from a busy week, oh yeah  
You gotta tie down all those loose ends  
Make sure everything is complete

Monday, I just reminisce  
Tuesday, I long for his kiss  
Wednesday, I start counting down  
Thursday, no more friends around

'Cause this weekend  
I'll be making love to my man  
Whoa, yes I will, yeah  
This weekend, yeah  
I'll be making love to my man, hoo

I'll sure love that man  
Love that man with all of my heart  
Oh, yes I do, yeah  
Though my week is just beginning  
I can't wait for the weekend to start, ooh yeah

Monday, I just reminisce  
Tuesday, I long for his kiss  
Wednesday, I start counting down  
Thursday, no more friends around

This weekend  
I'll be making love to my man  
Yeah, oh, yeah yeah  
This weekend  
I'll be making love to my man

Oh yeah  
There's no one else in this whole wide world  
Who gives me love like he does, forever I'm his girl  
So warm and kind, he satisfies my desire  
That's why he's mine all mine, he lights my fire

And when the weekend comes  
We're gonna have some fun  
Now you can understand  
Just why I make these plans

Not to have nobody  
Else around  
If it ain't my big Poppa  
I ain't down

Monday, I just reminisce  
Tuesday, I long for his kiss  
Wednesday, I start counting down  
Thursday, no more friends around

This weekend  
I'll be making love to my man  
This weekend  
I'll be making love to my man
