Babe, I love you so
I want you to know
That I, maybe, miss your love
The minute you walk out that door

Please don't go, don't go
Don't go away
Please don't go, don't go
I'm begging you to stay

If you leave, at least my lifetime
I've had one dream come true
I was blessed to be loved
As someone, as wonderful as you

Please don't go, don't go
Don't go away
Please don't go, don't go
I'm begging you to stay, hey, hey, hey

Babe, I love you so
I want you to know
That I, maybe, miss your love
The minute you walk out that door

Please don't go, don't go
Don't go away, hey, hey, hey
I need your love, down on my knees
Begging, please, please, please

Don't go, I need you, baby
Don't leave me now
Oh no, no, no, no, don't go
