Injection, Injection,  
No infection,  
Injection, Injection,  
No infection,  
I can tell by your complexion,  
It's not too late, It's not too loud,  
Looking for a face inside a crowd,

Injection, Injection,  
No infection,  
So don't, leave me alone,  
With no one to talk to,  
No one to hold,

Injection, Injection,  
No infection,  
Injection, Injection,  
No infection,  
I can tell by your complexion,  
It's not too late, It's not too loud,  
Looking for a face inside a crowd,

Injection, Injection,  
No infection,  
So don't, leave me here,  
All sight of hope, will disappear,  
Injection, Injection,  
No infection,

Injection, Injection,  
No infection,  
I can tell by your complexion,  
It's not too late, It's not too loud,  
Looking for a face inside a crowd,

Injection, Injection,  
No infection,  
I can tell by your complexion,  
This isn't how it's meant to be,  
I always pictured you and me,

Injection, Injection,  
No infection!
