[Verse One: TECH-ROCK]

As we lead MC's into battle  
I stand ground with Tee Studios as my castle  
Roaming thru my original bracelands  
Visualizing my verbal style thru spray cans  
Takin ova building empires like Caesar  
Try to screw me and I Scrooge you like Ebenezer  
Nice gals on the mic fights for the grand prize  
N-Light-N be the torch in the force of the midnight

[Verse Two: N-Light-N & Tech Rock]

Camelot be turning  
98-3 times Merlin casting spells leaving walls burning  
Two shadow knights riding through the wood sites  
Mic carriers in the moon light  
Soon fight, battle, whom write the remedy  
Voice maleficence, slingin like Yosemite  
Benevolence versus malevolence  
You represent irrelevance  
We're heaven sent elegance!

Talling tales with a dark age relevance  
The men, mc's talked about in the past tense

[Chorus: Opaque]

Takin ova, we be the legatees to the rap legacy  
Sereneties of the industry  
Takin ova! [Repeated 3 times. On third time "Takin Ova"  
echoes]

[Verse Three: Diaz]

It's the north sea defender, storm outsender  
Scandinavian, Iberian islander  
T.P! Theological Prophecies

I give you beliefs, Tiara energies

[Tech Rock] Fuck 'em in the streets V.O.T chase you out  
of town  
the sound men about to catch another beat down  
Yo, Tee lay the beat down

[Tommy Tee] Who am I ?

[Tech Rock] The best Norwegian producer on the M-I

I take you to the sea, the open type  
On any open MIC I shine, Saint Like  
Glorious! Viviende god apaladre  
I'm sailing in with the Spanish Armada

[Verse Four: Tech Rock]

From the horseback to a 24 track recorder  
My bees be walkin the water, crossin the border  
Shouts to Cod 2 and the crew C.O.D  
Let's whack these others crews like cap M-P-C's

Chorus

[Verse Five: Karma]

Kid Karma drop the drama, shiny armor Ivanhoe  
Seven swords swinging soldiers in the ???  
Harrow head heroes from beyond the 7 meadows  
Tellin tough tales from the backside of the meadow  
We can never settle, battle for the line over kings  
Clingin steel and reprint shields is what we bring  
Tee takes the lead, like Arthur we won't fail  
Adventures awaits, search for the Holy Grail!

[Verse Six: Opaque]

The Mudstained Trubadour  
Masquerader, element to carry through for my cause  
Pearly white teeth connected to my jaws  
I pause a bit  
To let my palms get in position  
Play the role out of suspicion  
My mission is sparklin clear  
And I won't fail, V.O.T in my back  
T.P must prevail, Royalty  
Suckers better pay a fee  
A very important point is loyalty  
Now I reveal my disguise  
You guys see blurry flashes of my eyes  
Which are evil not sober  
Lettin you know T.P is  
Takin Ova!![Echoes]

Chorus

[Outro: Tommy Tee]

Takin Ova  
Oh, you crossed over, then you got bucked and  
knocked over!
