There comes a time when we heed a certain call  
When the world must come together as one  
There are people dying  
And it's time to lend a hand to life  
The greatest gift of all

We can't go on pretending day by day  
That someone, somewhere will soon make a change  
We are all a part of God's great big family  
And the truth, you know,  
Love is all we need

We are the world, we are the children  
We are the ones who make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

Send them your heart so they'll know that someone  
cares  
And their lives will be stronger and free  
As God has shown us by turning stones to bread  
So we all must lend a helping hand

When you're down and out, there seems no hope at all  
But if you just believe there's no way we can fall  
Let us realize that a change can only come  
When we stand together as one
