Can't think about anything else,
there's one thing on my mind,
there's no use to try and wonder,
about things left behind.

She's with me when I'm sleeping,
she's with me during day,
all I see before me,
is her beautiful face.

But then I remember all the things she's done,
and I just ask myself why didn't I have a gun!

Why didn't I have a gun X4

Can't think about anything else,
there's one thing on my mind,
there's no use to try and wonder,
about things left behind.

She's with me when I'm sleeping,
she's with me during day,
all I see before me,
is her beautiful face.

But then I remember all the things she's done,
and that just gets me pissed off!!!!!!!!!!!!!!

Fuck u bitch, I hate u, I wish u'd fuck die, etc
