hey what were ya thinkin

when they were startin the show

yeah, i was there

but i didn't care at all

i was tryin to find you

when you gost lost in the crowd

cus i'm drunk all the time

i like your helium voice

CHORUS

there was a guy in the seat next to mine

watchin the girls when the cops made us stand in line

yea, so if its sad

well you still gotta live till ya die

man, everyone's chewin the apple you got in your eye

it like at the circus

when you get lost in the crowd

your happy but nervous

definite sign that you lost it

CHORUS
