"Evil Will Prevail"

With Loving hands and their arms are stretched so
wide they can't

seem to take a breath knowing evil will prevail, and a
million people

seems

like a lot, and a million people can't be wrong...

With loving smiles, and their mouths are stretched so
wide they can't

even

take a breath, knowing evil will prevail, and the magic
bullet is the

glowing mother ship, and the mother zaps you dead...

with loving hands knowing evil will prevail

knowing evil will prevail

knowing that evil will prevail

knowing evil will prevail

knowing that evil will always win
