I thought I was smart - I thought I was right

I thought it better not to fight - I thought there was a

Virtue in always being cool - so when it came time to

Fight I thought I'll just step aside and that time would

Prove you wrong and that you would be the fool -

I don't know where the sun beams end and the star

Light begins it's all a mystery

Oh to fight is to defend if it's not

Now than tell me when would be the time that you  
would stand up

And be a man - for to lose I could accept but to  
surrender

I just wet and regretted this moment - oh that I - I

Was the fool

I don't know where the sun beams end and the star

Light begins it's all a mystery

And I don't know how a man decides what right for his

Own life - it's all a mystery

Cause I'm a man not a boy and there are things

You can't avoid you have to face them when you're not  
prepared

To face them -

If I could I would but you're with him now it'd do no  
good

I should have fought him but instead I let him - I let

Him take it -

I don't know where the sun beams end and the star

Light begins it's all a mystery

And I don't know how a man decides what right for his

Own life - it's all a mystery
