Well, the retards laughed
When the evening came
The 'librium makes them
All the same
And boy, you still got
Shit for brains
It's Halloween on the coast again
Well the clowns roll in
And the line never ends
We get the last part
We get the bends
And the bends always last
Till the blast
And they sucked us down in the hole again
And it's Halloween on the Barbary Coast
Well, the mothers smiled
When the morning came
Under the Christmas tree
They looked all the same
And boy, you still got
Shit for brain

And it's Halloween all over again
