I got yer letter it had turned to sand, lightning strikes the  
postman in

his hand, I hope that you remember the things you had  
to say, it's just

a supernatural delay... I got yer package it was all a  
mess, lightning strikes

the postman in his chest, I hope that you remember the  
things you

had to

say, it's just a supernatural delay...

I sent you a postcard and I hope yer fine

But lightning strike the postman all the time

I couldn't really think of anything to say

It's just a supernatural delay,

And it's hard to read the writing through the flames
