Ten men stand in line

At the gates of the cemetery on Tuesday morning

They're not open today

And ten moms stand in line

At maternity ward

They're not bringin' no babies out to play

Anytime today

What's a nice girl like you doin'

Walkin' around this part of town?

See you sometime tomorrow

And ten men stand in line

Waitin' for some personality to be put out on the corner

Today ain't garbage day

Ain't no grabage taken today
