I see trees of green, red roses too

I see 'em bloom for me and you

And I think to myself, what a wonderful world

I see skies of blue, clouds of white

The bright blessed days, and dark sacred nights

And I think to myself, what a wonderful world

The colors of the rainbow

Are so pretty in the sky

It's also on the faces

Of people goin' by

I see friends shakin' hands

Sayin', "How do you do?"

Fairies sayin', "I love you."

I hear babies cry, and I watch 'em grow

They'll learn much more than I'll ever know

And I think to myself, what a wonderful world

I think to myself, what a wonderful world
