"With You"

When I walk with you, I feel weird.

When I talk with you, I feel weird.

When I'm standing here, I feel strange.

When you're standing near, I feel strange.

All that I know

is my mind is blown.

When I'm with you.

When I'm with you. x5

When I'm...

When you're touching me, I feel great.

When I'm touching you, hallucinate.

When I'm standing here, I feel strange.

When you're standing near, I feel strange.

All that I know

is my mind is blown.

When I'm with you.

When I'm with you. x5

When I'm.
